

Onboarding

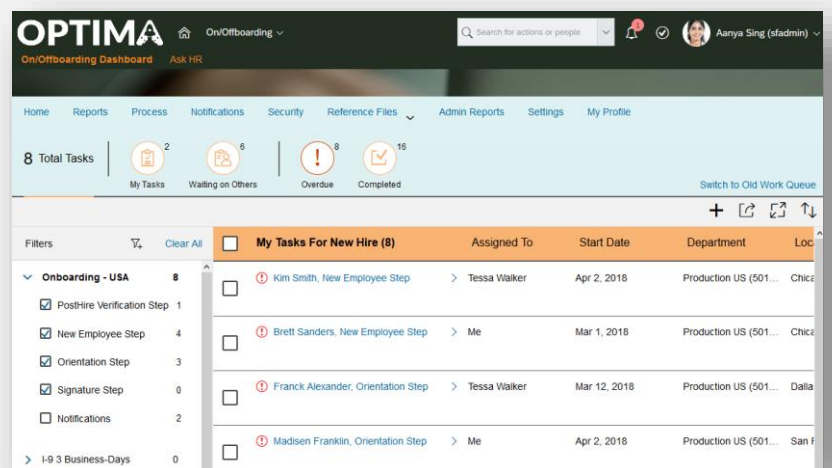

Optima for SAP SuccessFactors Onboarding walks hiring managers through the onboarding process using step-by-step wizards to prepare for the new hire, and an easy-to-use dashboard makes it simple to track progress across the organization. All new hire documentation is built into the process, allowing new hire paperwork to be filled out from the convenience of a mobile device in a safe and compliant manner.

Overview

Improve first-year retention and reduces ramp time by focusing on three key areas - Connecting People, Clear Processes to reduce manual intervention and increasing Productivity.

Scope

- Forms Management
- Task and Process Management
- New Hire Portal
- Document Center
- Reporting
- SuccessFactors HCM Suite Integration
- Third Party Integration

Business Benefits

- Improved efficiency and compliance through better processes.
- Reduced ramp time means faster time to productivity.
- Connect and engage with new hires even before their first day.
- Mobile, secure new-hire paperwork is built right into the process, with SAP Signature Management by DocuSign, so that you're safe and compliant.

Rapid Deployment

We deliver the Optima Onboarding Is solution on a fixed implementation timeline of 12 Weeks. You'll receive:

- An initial kick off and Project workshop
- Pre-configured best practice tools and content with flexibility to expand functionality in the future.
- Testing, Training and Post go-live support
- A collaboration platform with all the project resources and knowledge base
